

STUDENT ENTREPRENEURSHIP

STUDENT EMPLOYMENT AND EXPERIENCE DEVELOPMENT PROGRAM (SEED)

Launch Your Own Business this Summer!

Overview

- Got a business idea? Turn it into a real summer job through the Government of New Brunswick's SEED Student Entrepreneurship Program.
- Access up to \$3,000 in interest-free funding to kickstart your business.
- Gain hands-on experience in running your own business and build valuable entrepreneurial skills.
- Flexible and open to a variety of ventures—past businesses have included retail shops, crafts, painting services, computer support, lawn care, and more.
- Bonus incentive: Repay the loan in full by October 15, and you could be eligible for a reimbursement of up to \$1,000 —just for meeting program requirements!

How to Apply

Reach out to your regional WorkingNB office and book an appointment with a Workforce Consultant to get started at WorkingNB.ca/Contact
