- Serves as a 24/7 recruiter, providing notifications for jobs for which you are pre-qualified for.
- Receive messages notifying you of Job Fairs or services available that are targeted to your skills.
- Automatically leverage your diversity with employers looking to increase diversity within their workplace.
- Connect with employers from across New Brunswick or Nationally.
- Eliminates bias by keeping your personal information hidden until a connection to an employer is made.
- Available in French and English.
